APSCUF Comments:

a) Dr. Sararose Lynch: Absent

Advisor Comments:

a) Wendy Leitera:

I would like to welcome all the new senators. A little about me I work in the suite there is my office in the Co-Op offices. We serve SGA in a budget standpoint; we help them submit in all instances and we support the bookstore and child care center. Beyond the senate we have other areas that function under the SGA. For this meeting we had a lot of activity which is great. I hope you all get more comfortable as the semester goes on for more discussion. I encourage students to talk at open forum. I think we have a really good representation from what I saw tonight. We are really here for advocacy and is something you should take to heart.

b) Patrick Beswick
