Commission Reports:

Senator Resnick – I met with the president’s commission on disability issues on September 7th. TAP & Rock Life joined the disabilities office. Roots, branches, concrete cracks, and other trip hazards were removed. The disability issues commission has a new logo that is more friendly. Overall, it was a successful first meeting.

Par. Thrasher – Veteran & Military Affairs:
Thursday, September 8th
Killed In Action Display
Medal of Honor Display
Veteran Graduation Stoles

VP Gish – I want to commend Senator Resnick & Parliamentarian for giving us amazing updates from their respected commission. If you are interested in joining a commission, please reach out to me. We have vacancies on these commissions: President’s Commission on Race and Ethnic Diversity, wellness, sustainability, and mental health.

Rock of the Week: Madi Moore & Lejla Hamzic!!

VP Gish – During our first formal meeting, I saw this senator take on a great leadership role. Furthermore, after the meeting, this senator was discussing how to take an action-playing role for the new senators. I was so blown away by this senator.

Speaker Austin – We have a new senator who has kinda came in and has hit the ground running. They have so much passion, and I can’t wait to see what they continue to do.

Open Forum:

Senator Brock – For my minor, adapted physical activity, we have multiple programs where we work with individuals with disabilities. The TAP program is currently looking for volunteers on

Mondays, Wednesdays, and Fridays from 9-1. I'm willing to provide any information for anyone.

Senator Brinker – The honors college fundraising committee is putting on a pie a professor on September 20th. Also support our softball team on Wednesday at 8:30.

Senator McLafferty – I was encouraged by Wendy to talk about this at open forum. There have been a lot of complaints about the Happy Bus. The NextBus app is not working very well. I was talking to Wendy about using a different app. The current app is a 50/50 shot with showing the bus and their current routes.

President D'Egidio – I just want to make sure we are represented at the Dine with the Director on September 15th from 5-7 pm. It's a great opportunity to meet with people who are higher up in the dining service. You do have to RSVP with Lisa Rogers. It is free food.

Senator Froehlich – They followed the format that is on CORE.

APSCUF Comments:

a) Tricia Bishop:

Advisor Comments:

a.) Dr. Lauren Moran: Shoutout to Megan for bringing an issue forum. Open forum is for giving updates and addressing issues. If you see an issue, bring it here and talk about it. Chris asked if I could make a motion that isn't on the agenda. You can do that since you do not approve of the agenda. Anything can be added at any time. Student organization officer training are in progress. Treasurer trainings are this week. Next week is the secretary or administrative meetings. We also have an event planning meeting. The dates and times are on CORE. We are 4 weeks away for homecoming week. If your student organization or residence hall wants to participate, they have to have one representative at the meeting this Wednesday, September 14th, at 4 pm in SSC 321. Get your two free covid tests and share them with your constituents. Dine with the Directors is on Thursday. It is an opportunity to have a free meal and give feedback about dining service issues and things you'd like to see. This is the one and only time SGA will be invited to it. Next month will be another group or organization. Can we get a group of at least 10 people? You get to eat with me!

b.) Wendy Leitera:

Adjournment:

Adjourn the meeting at 5:39 pm.

First – VP Gish

Second – Senator Brock

VP Gish – This was a great meeting. The flow, how many people we heard from was great. Keep it up. I hope you have an awesome evening. I like the clap after every motion.
