## Commission Reports:

**Senator Sherwood Erculiani** – I attended the President's Commission on Sustainability. We talked about whether it is the commission "on" or "for." October is sustainability month. Some events are going on in early November at the Mackosky Center. We discussed the Green Fund. There is more information about that online. Aramark is looking for a sustainability intern. That would include auditing the sustainable practices at our dining facilities. You can apply it on a handshake.

**Senator Learn** – I attend the President's Commission on mental Health. They want to have 2 separate days for events on November 29<sup>th</sup> in the library and December 1<sup>st</sup> in the Student Center. We talked about needing student volunteers to manage it. They are planning on giving out

mental health resource information. I talked about having SGA help volunteer. We are having a meeting on Thursday to discuss more details.

**Senator McLafferty** – I sit on the GEISO commission. I hope to attend the next President’s commission on Women. I was unable to make the recent meeting due to class, but in the meeting we discussed the new Director of the Women & Pride Center. There is a new rebranding for the President’s commissions. GEISO is still revising its vision statement. They are still looking for students to sit on GEISO.

**VP Gish** – I don’t know if this counts as a commission report. If you currently sit on a commission, please stay for two minutes after the formal. I’d like to check in with all of you.

**President D’Egidio** – There is also a spot for student-athletes. You do not need to be an athlete

Rock of the Week: Chloe Senz & Owen Snyder!

**VP Jones** – This senator is from my committee, and they did a great job during the fall crawl. They found a lot of accessibility issues. They also took a lot of great pictures that I can send to the facilities. I appreciated this senator’s effort.

**Speaker Austin** – This senator came to me towards the end of one of the last weeks looking for an office unit opportunity. I offered them an opportunity to research a new outdoor structure on the quad. They came back with lots of impressive work. I was very proud.

Open Forum:

**Senator McLafferty** – I wanted to thank Wendy & VP Jones for all of their work on the bus work app. As the person who brought up the issue, I’m happy to see that it’s been addressed and we’re working toward a solution. Take Back the Night is this Friday. SRSGA needs to send 5 people. I sincerely hope you are all there. It starts at 6:30 pm in the SGA Pavilion. In terms of the outdoor structure that could replace the tent, has anyone contracted the Amish in Grove City?

**President D’Egidio** – I think the University is an independent contractor.

#### APSCUF Comments:

a) Tricia Bishop:

b) Dr. Sararose Lynch: I don't have anything new to report. You may be hearing that a committee in APSCUF wants to come to an SGA meeting to discuss the climate of classes. I think they want to open it to all students. They want to bring it to you first. My suggestion was to survey this crowd and share what your constituent's concerns might be.

#### Advisor Comments:

a) Dr. Lauren Moran:

b) Wendy Leitera: Welcome new graduate senators. For those of you who are sitting on the president's commissions, as students who sit on those committees, talk with them about how they can post their events on the CORE. The class that VP Husnick mentioned, is an Intro for an ROTC or business course. A lot of them were assigned to think of ideas around campus and the community that could be fixed. A small one is changing our bus company. A bigger one is replacing the outdoor structure in the quad. UPB concert is coming up this week as well as two

Rock the Week weekend events. Make sure students are aware of using the election buses. It's a four-hour period with stops every half hour. All of that information will be shared.

Adjournment:

Adjourn the meeting at 5:40 pm on Hollow's Eve.

First – VP Gish

Second – Senator Oberg

Abstention – Senator Burchell & Senator Donnelly

Motion passes!
