Commission Reports:

Rock of the Week:

Open Forum:

Senator Double: Pi would like to get ahead of the game before we get into the parliamentary decision. While I trust your judgement, I feel it is unfair to show the answers to one candidate and not the others. While I trust your judgement since it is up to the senate, I feel that this type of thing should have been done for all the candidates. We do not know who else you met with or their answers.

Old Business:

New Business:

Motion #1: I move to approve Gabriella Delcoco as a Fall Semester Athlete Senator.

Senator Warren: This past year we have talked about the fall v spring athlete senators. We have talked with athletes about how to make this work. We have worked with her before and hopefully this will work much better for her.

Second: Senator Double

Motion #2: I move to approve Maxwell Atwood as a College of Liberal Arts Senator.

Senator Bell: I have worked with Max personally; he is dedicated and wants to improve Slippery Rock Community.

Second: Senator

Passed

Motion #3: I move to approve Haley Bradeis and Shane Krizmanich as a College of Health Professions Senators.

Senator Stiles: I know both personally they are extremely hard-working exercise science students, and they would be great additions to the senate.

Second: Senator Snyder

Passed

Motion #4: I move to approve Janey Cessna as a College of Education Senator.

Senator Stiles: I know Janey personally and she is a much harder working student than I am, and she would be a great addition to our senate.

Second: Senator Double

Passed

Motion #5: I move to approve Madison Caroff and Chris Thrasher as an At-Large Senators.

Senator Double: I don't know Madison personally, but I do believe she would be a great addition to the senate I do know Chris thrasher personally and we want you back.

Second: Senator Johnson

Motion #6: I move to suspend the normal order of business to elect the speaker of senate.

Senator Thrasher: This just takes away what we normally do.

Second: Senator Snyder

Senator Brinker: I was just reelected as a college of business senator I want to promote a lot of involvement promote events to get us out in the community, create more engagement and involvement. More informed community

Senator George: I plan to have in formals where I will give a presentation and hope you have taken away with SGA and normal like experience. I also hope we have a senate where they can go to other senators and be their support system.

Senator McLaughlin: To help with all the planning and helping us all get to know each other and use informal to help all the different major and college come together and take that into your studies and careers as well.

Senator Burchell: I didn't plan on running I want us to be a family and have a connection I want us to be connected and to make people feel comfortable and have a sense of community. I am always in the office and around and can help that connection. And that's all I got.

Motion #8: I move to confirm Braydon Brinker as Speaker of the Senate for the 2023-2024 school year with a majority vote.

Vp Husnick

Second: Senator Thrasher

Vp Hood: As the past Vp of internal Braydon has sat in my committee he has done great work and worked very diligently, and I think he would do great.

Senator Double: I go to every event and if I and to recall the person that goes as much as I do it would be Braydon Brinker he works hard, and I know he is going to do fantastic. That's my roommate

Abstentions: Senator Brinker

Motion #9: I move to confirm as the Parliamentarian for the 2023-2024 school year.

Senator Thrasher: It would have been nice to have everyone's but this is an appointment and this is what we do

Second: Shaeferr

Senator Double: As representation wasn't shown Ezeck Warren this past year in rules and policies when the Parlim. Wasn't able to be present Ezeck stood up and ran the meeting and did amazing and rewrote the whole amendments was paramount with adding the athlete senator and I do not believe that this appointment made in good faith. Ezeck Warren is qualified, and I feel as he is more qualified than anyone else in the senate. Ezeck warren should be the one on Eboard I wish we would have gotten to see his answers and while I cannot go off what he said I can go off his actions he is qualified, and he will do great.

Seantor Froehlich: I was just looking at this document. Under the detail section none of the questions pertains to the parliamentary procedure. None of these plans were put in these questions. Ezeck has experience and can take that into next year and streamline progress. With Senator stiles having no experience I am unsure on how he will do. It is something learned by experience.

Vp Austin: While I hear and agree I think we can speaker to Senator Thrasher I have read through the interview question I cannot say he would do a poor job I think he is dedicated.

Senator Thrasher: as the outgoing parliamentarian I was reached out by president bloom I don't not believe experience is necessary however I will state is that my recommendation was to Ezeck reasons were already stated.

Senator Stiles: I do not have experience there are real concerns. Ella has reached out to me I was experience. I have pulled up Roberts rules, the constitution, and I do not have any experience and I am willing to gain the experience and use my resources and I will have a hard time living up to senator thrasher I am not going to make the appointment and make nothing of it.

Yay: 5

Nay: 21

Abstention: 6

President Bloom: I would just like to add that senator Warren was my second choice, and I did take time to choose the candidate

2 minute recess

Motion #10: I move to confirm Ezeck Warren as the Parliamentarian for the 2023-2024 school year

Vp Hood: I have been in Sga with Ezeck for the past 2 years and he has done a fabulous job in rules and policies.

President Bloom: Ezeck was my second choice and I feel like he will do a fabulous job

Second: Senator Burchell

Nay: Cessna

Abstentions: Senator Snyder, Senator Warren, Senator Stiles, Senator Bradeis

Advisor Comments:

a) Dr. Lauren Moran:

I promise not all meetings are like this. I heard lots of people say I don't check email just to let you know a typical response is 24 hours! For those that are new suspending the normal order of business is doing something outside the normal order of procedure! I will point out that when you speak to a motion you should be speaking to the actual motion! We are going to go over all of this more at the senate retreat! If you put this much time and energy into actually advocating for students than we can have a great year. What is your why? Is it about the students? I want to see you advocating!

b) Wendy Leitera:

The pizza has been provided by the SGA board of Directors. We will talk more about them at the retreat and about SGA as a whole. Welcome to all the new and old faces. Good luck on finals and have a great summer!

Adjournment:

Adjourn the meeting at 7:12 pm
